

INVESTIGATION PODS

The power of the many at your disposal.

What is an Investigation Pod?

An Investigation Pod is a group of experienced investigators led by an Investigation Manager who are deployed for a fixed term within your organisation or business to achieve rapid and in-depth progress on the issues and cases that matter to you.

ASSESSMENT

INVESTIGATION

DETAILED REPORTING

KEY BENEFITS

- » The power of the many at work for you (1 x Investigation Manager + 6 x FTE investigators = 7 x FTE (high impact, rapid progress)
- » The Pod quickly gains an understanding of where your organisation sees value.
- » The Pod can deliver 100-120 investigation days per month
- » Team-based approach ensures peer review, assurance of quality, and embedded leadership structure within the Pod
- » We can provide remote investigation capacity or on-the-ground mission work as required
- » Time-based charges within a fixed-term contract structure
- » Flexible delivery tailored to your organisation's needs
- » Scalable – if need be, the Investigation Pod can be increased in size or deployed for multiple fixed-term contracts

OUTCOMES

- » Reduce your case backlog
- » Reduce pressure on your team
- » Gain high-quality case resolution

LEADERSHIP

Simon Scott is OSACO Group's Global Investigations Coordinator and has oversight of the deployment and management of OSACO's Investigations Pods.

Simon had a 19-year investigations career and has managed large teams under pressure in various roles.

As his role with OSACO Simon contributes his high-level investigative skills, his ability to conduct effective investigations in and out of the media spotlight, and his talent for leading and coordinating high-performing colleagues.

Investigation Pods offer a high-impact, professional solution for organisations and businesses who are finding it challenging to clear their case backlog. Our pods can deploy quickly and achieve real results, freeing up your time and resources to achieve your key objectives. Let us help you to make a difference.

INVESTIGATION METHODOLOGY

The OSACO standard methodology for investigating is as follows:

PROVEN TRACK RECORD

Our investigators deliver globally in multiple languages and in challenging geographical settings.

We are able to meet the complex needs of large organisations and have the ability to be highly responsive to deploy our investigators when needed.

- » Consultants globally = 37+
- » Countries active in during past 12 months = 40+
- » Languages offered = English, French, Portuguese, Arabic, Spanish, Italian and more

ABOUT OSACO GROUP

OSACO Group exists to make a difference. We help organisations of all kinds all around the world to anticipate, identify, and combat unacceptable conduct, both by the people who work for them and those who work on their behalf.

We provide experts in investigation, training, and other specialist skills to predict, prevent, and respond to human risk factors. Our ultimate goal is to work with our clients to create a world where our services are no longer required.
